

1,000 ways to Save Water!

1,000 ways to save water!

This book will tell you how to save water! There are lots of ways to save water.

Don't play with a water sprinkler when your town is having a water

shortage. Take shorter showers. Use a bucket to wash the car. Use

a broom and not a hose to wash the sidewalk.

Save water! P.S. by Madison!
